November 12 - Delegated Announcement

IMPORTANT ANNOUNCEMENT!

Due to the expansion of our Emerging Banker business channel, effective November 30, 2015, Delegated Impac clients will no longer have access to Non-Delegated underwriting services **with the exception of Alt QM, 203(k) and Jumbo** loans.

- All open files will be honored until their guaranteed lock expiration date
- New non delegated loans must be submitted to Impac no later than November 30, 2015

WHY?

Our Emerging Banker channel has grown significantly in a short amount of time, so in response we've diverted internal resources to supply the appropriate amount of support.
