

**Correspondent Seller**  
**Final Documents Transmittal**  
**April 6, 2016**

Using Impac's *Final Documents Transmittal* is the preferred means of communication when sending in all final documents after we have purchased the loan. Doing so improves our efficiency in tracking all of the required trailing documents and keeping you informed of any missing documents.

Impac will no longer include this transmittal when the Purchase Advice is posted; however, it is still available on the website under Forms.
