

**Correspondent Seller**  
**In-House Underwriting Suspension**  
**July 10, 2014**

Due to the tremendous popularity of our In-House Underwriting service (non-delegated) which has led to a significant volume spike, coupled with the imminent release of our Non-QM programs, all of which will require underwriting training and a complete process review, we are temporarily suspending our In-House Underwriting service for both Full Underwrites and Pre-Close Review.

As of **Monday July 14<sup>th</sup>** we will not be accepting any loans through this channel with the exception of our Jumbo Platinum and Premier Series. This temporary suspension will stay in effect until **August 1, 2014**.

With the re-launch, we will require all correspondents utilizing our In-House Underwriting service to attend a Training Call. Please email [relationshipmanagers@impacmail.com](mailto:relationshipmanagers@impacmail.com) to set up a call.

***Impac thanks you for your patience and continued business.***
