**FEMA Disaster Declaration Update for Florida
(Hurricane Irma)**

January 29, 2018

FEMA has issued another update to the major disaster declaration for Florida – 4337 - designating **1** more county as eligible for individual assistance. Counties now eligible for individual assistance include: Alachua, Baker, Bradford, Brevard, Broward, Charlotte, Citrus, Clay, Collier, Columbia, DeSoto, Dixie, Duval, Flagler, Gilchrist, Glades, **Hamilton**, Hardee, Hendry, Hernando, Highlands, Hillsborough, Indian River, Lafayette, Lake, Lee, Levy, Manatee, Marion, Martin, Miami-Dade, Monroe, Nassau, Okaloosa, Okeechobee, Orange, Osceola, Palm Beach, Pasco, Pinellas, Polk, Putnam, Sarasota, Seminole, St. Lucie, St. Johns, Sumter, Suwanee, Union and Volusia. All 67 counties in Florida are eligible for public assistance. As a reminder:

Re-inspections from the appraiser for properties located in zip codes and counties that are eligible for individual or public assistance will be required for appraisals issued prior to the date of the last received FEMA disaster declaration update for that particular county. Refer to the updated *FEMA Disaster Declaration for Florida* attached to the announcement which provides the specific dates when counties were added to the declaration.

Impac will require an **exterior and interior re-inspection**, with photos. Acceptable re-inspection documentation includes:

- a Catastrophic Disaster Area Property Inspection Report (CDAIR), **or**
- an Appraisal Update and/or Completion Report (Fannie Mae Form 1004D/Freddie Mac 442)

Re-inspection requirements for streamline loan programs: When FEMA considers the disaster as major or catastrophic, Impac will require an exterior re-inspection with photos, using a CDAIR or a Property Inspection Report (Fannie Mae Form 2075) on the following loan programs:

- DU Refi Plus transaction with a Property Inspection Waiver (PIW),
- LP Open Access, only a CDAIR form may be used,
- FHA Streamline without an appraisal,
- VA IRRRL, or
- USDA Streamline

Note: An appraisal completed in an area after the incident date of September 10, 2017 does not require a re-certification. However, the appraiser *must* comment that the property is free from damage and that the disaster had no effect on the property. Any damage noted on the appraisal must be resolved before proceeding with closing the loan.

We thank you for your continued business.
