FEMA Disaster Declaration Update for Iowa
September 25, 2017

FEMA has issued an update to the presidential disaster declaration for Iowa - 4334 - designating **2** more counties as eligible for public assistance. As a reminder:

Re-inspections from the appraiser for properties located in zip codes and counties that are eligible for individual or public assistance will be required for appraisals issued prior to the date of the last received FEMA disaster declaration update for that particular county. Refer to the updated *FEMA Disaster Declaration for Iowa* attached to the announcement which provides the specific dates when counties were added to the declaration.

Note: the appraiser *must* comment that the property is free from damage and that the disaster had no effect on the property. Any damage noted on the appraisal must be resolved before proceeding with closing the loan.

We thank you for your continued business.

If you have any questions, contact your Relationship Manager at 888-850-0259 Option 1 or your Account Executive.
