

Announcement CL 2018 – 01-04
FEMA Disaster Declaration Update for
Mississippi – Hurricane Nate - 4350
January 04, 2018

FEMA has issued an update to the disaster declaration for Mississippi designating **2** more counties as eligible for **public assistance only**. Counties eligible for public assistance now include: George, Greene, Hancock, Harrison, Jackson, and Stone.

Re-inspections from the appraiser for properties located in zip codes and counties that are eligible for public assistance will be required for appraisals issued prior to the date of the last received FEMA disaster declaration update for that particular county. Refer to the updated *FEMA Disaster Declaration for Mississippi* attached to the announcement which provides the specific dates when counties were added to the declaration.

Note: An appraisal completed in an area *after the disaster declaration* incident end date does not require a re-certification. However, the appraiser *must* comment that the property is free from damage and that the disaster had no effect on the property. Any damage noted on the appraisal must be resolved before proceeding with closing the loan.

Impac will require an interior and exterior re-inspection, with photos. Acceptable re-inspection documentation includes:

- a Catastrophic Disaster Area Property Inspection Report (CDAIR), **or**
- an Appraisal Update and/or Completion Report (Fannie Mae Form 1004D/Freddie Mac 442)
