

Announcement CL 2017-10-17
FEMA Disaster Declaration for South Carolina
(Hurricane Irma)
October 17, 2017

FEMA has issued a new presidential disaster declaration for South Carolina designating 16 counties as eligible for public assistance. As a reminder:

- iQM loans only: Re-inspections from the appraiser for properties located in zip codes and counties that are eligible for *public* assistance will be required for appraisals issued prior to September 13, 2017.

Note: An appraisal completed in an area *after the disaster declaration* incident end date does not require a re-certification. However, the appraiser *must* comment that the property is free from damage and that the disaster had no effect on the property. Any damage noted on the appraisal must be resolved before proceeding with closing the loan.

We thank you for your continued business.

If you have any questions, contact your Relationship Manager at 888-850-0259 Option 1 or your Account Executive.
