

**Announcement CL 2018-07-30
FEMA Disaster Declaration Update
for Hawaii – 4365**

FEMA has issued an update to the disaster declaration for Hawaii designating **individual assistance** for Hawaii. Counties eligible for **individual assistance include Honolulu and Kauai**. Counties eligible for public assistance were not changed with this update.

Re-inspections from the appraiser for properties located in zip codes and counties that are eligible for **individual or public assistance** will be required for appraisals issued prior to the date of the last received FEMA disaster declaration update for that particular county. Refer to the updated *FEMA Disaster Declaration for Hawaii* attached to the announcement which provides the specific dates when counties were added to the declaration.

Impac will require an **exterior and interior re-inspection**, with photos. Acceptable re-inspection documentation includes:

- a Catastrophic Disaster Area Property Inspection Report (CDAIR), **or**
- an Appraisal Update and/or Completion Report (Fannie Mae Form 1004D/Freddie Mac 442)

Note: An appraisal completed in an area *after the disaster declaration* incident date of March 8, 2018, does not require a re-certification. However, the appraiser *must* comment that the property is free from damage and that the disaster had no effect on the property. Any damage noted on the appraisal must be resolved before proceeding with closing the loan.

We thank you for your continued business.
