

Announcement CL 2018-05-16

**FEMA Major Disaster Declaration
for Hawaii - 4366**

May 16, 2018

FEMA has issued a new presidential major disaster declaration for Hawaii designating locations affected by the volcanic eruption and earthquakes as eligible for public assistance only.

- iQM loans only: An exterior re-inspection, with photos, from the appraiser for properties located in zip codes and counties that are eligible for *public* assistance will be required for appraisals issued prior to May 3, 2018, the actual incident date. The following re-inspection documentation can be used:
 - a CDAIR
 - a Fannie Mae Form 1004D / Freddie Mac 442, or
 - a Fannie Mae Form 2075

Note: An appraisal completed in an area *after May 3, the actual incident date*, does not require a re-certification. However, the appraiser *must* comment that the property is free from damage and that the disaster had no effect on the property. Any damage noted on the appraisal must be resolved before proceeding with closing the loan.

We thank you for your continued business.
