

Announcement CL 2018-06-27
FEMA Disaster Declaration Update
for Oklahoma – 4373

FEMA has issued a presidential disaster declaration for Oklahoma eligible for public assistance only and applies only to iQM loans. No locations for this FEMA disaster declaration are eligible for individual assistance at this time.

- iQM loans only: An exterior re-inspection, with photos, from the appraiser for properties located in zip codes and counties that are eligible for *public* assistance will be required for appraisals issued prior to the incident end dates on April 11-20, 2018. The following re-inspection documentation can be used:
 - a CDAIR, or
 - a Fannie Mae Form 1004D / Freddie Mac 442, or
 - a Fannie Mae Form 2075.

Note: An appraisal completed in an area *after the disaster declaration* incident date of April 20, 2018, does not require a re-certification. However, the appraiser *must* comment that the property is free from damage and that the disaster had no effect on the property. Any damage noted on the appraisal must be resolved before proceeding with closing the loan.

We thank you for your continued business.
