ULI (Universal Loan Identifier): * [input] [What's this?](#)

I attest and certify that my company did not assign a Universal Loan Identifier (ULI).
(This is intended for clients that are depository institutions and non-depositaries that are not subject to HMDA or did not assign a ULI because the loan was funded in 2017.)

Note: Impac will generate and report our ULI on all non-delegated files (including delegated clients submitting loans using non-delegated programs) due to Impac rendering a credit decision.

We thank you for your continued business.
