Schedule of Fees – iQM loans
November 1, 2016

Impac Mortgage Corp. will be increasing the underwriting fee for all iQM loans to \$995 effective with loans submitted on and after December 1, 2016.

Impac's Seller Guide has been updated with a *Schedule of Fees* located on Impac's Correspondent website at: <https://impaccorrespondent.com/pages/forms-and-resources>

- Note that fees located in other sections of the Sellers Guide have been removed. The *Schedule of Fees* is the only resource to use for identifying fees associated with an Impac loan purchase.

Impac thanks you for your patience and continued business.
